Hike with Jackson

GUIDED ADIRONDACK EXPERIENCES FOR GROUPS

Step-on guiding and guided hikes for hotel, conference, and motorcoach groups in the Lake George region.

IN GOOD HANDS

- **Licensed NYS guide** — a Lake George local, specializing in Lake George tours
- **The Sagamore** — Jackson guides the federal judges' group hike during their annual conference, every year
- **Balloon Festival weekend** — four motorcoach groups run at once: Perkiomen Tours, World of Travel, Elite, and TLC Tours
- **Fort William Henry** — step-on guiding and group hikes out of the Fort (most recently a Peoria Charter group, Oct 7)
- **A bench of guides** — multi-guide staffing for large groups

One weekend, four coaches — Balloon Festival (Sep 2026)

Four motorcoach groups at the same time, guides out on parallel programs across the region — and Jackson on the festival field himself with the TLC Tours group, Friday evening and again for Saturday's sunrise flight.

Flexible programs. Reliable execution.

Every outing is customized to your group at booking. For conference groups, short and half-day formats fit between sessions.

WHAT WE DO

- **Step-on guiding** — our guide boards your coach and runs the day with your host and driver: narration, timing, and stops handled from pickup to drop-off
- **Guided group hikes** — short, half-day, and full-day outings, with the guide team scaled to the group
- **History talk + hike** — a trail outing paired with a simultaneous history talk, so mixed-mobility groups stay together — everyone included
- **Custom programs** — tell us the group and the schedule; we build the day around your agenda

GROUP PRICING

- **Step-on guiding** (your coach, our guide): $500 per day, per guide, plus gratuity.
- **Guided group hikes:** $500 for up to 10 guests · $300 per additional group of 10 (one guide per 10) · +20% gratuity. No group too large — we scale the guide team to fit.
- Custom outings priced per event.
